

Submit Your Important Gerontological Research Today!

RESEARCH IN GERONTOLOGICAL NURSING is now accepting manuscript submissions. Take advantage of this opportunity to publish your important research in this ground-breaking new journal with a specific focus on elder care.

The Journal is a forum for disseminating peer-reviewed, cutting edge interdisciplinary gerontological nursing research to professionals involved in all aspects of elder care:

- Investigators
- Educators
- Academicians
- Clinicians
- Policymakers

RESEARCH IN GERONTOLOGICAL NURSING accepts quantitative, qualitative, methodological and theoretical research, as well as manuscripts on instrument development and integrative and systematic reviews, with the aims of improving the wellness and quality of care for the older adult population.

Manuscript Requirements:

- All manuscripts will undergo double-blind peer-review
- Submitted manuscripts should adhere to the *Publication Manual of the American Psychological Association*, Fifth Edition (2001)
- Submissions of original research should be limited to no more than 18 pages of narrative exclusive of references, figures and tables
- Submissions of qualitative reports should be limited to no more than 20 pages of narrative exclusive of references, figures and tables

Information for authors can be accessed through GeroNurseResearch.com
Manuscripts can be submitted at RapidReview.com
